“LIMBOW for your BOW is the only way to go!”

Introducing the LIMBOW Bow Sling!!!!!!

An Oregon-made bow sling. One of its kind – the lightest bow sling - 1.3 ounces.

Product Features:

- 1) Increase reaction time by as much as 60%;
- 2) Maneuverability far surpasses any other bow sling in action;
- 3) Product durability;
- 4) Slim-lined design gives the hunter the stealth & concealment needed for that edge.

Ergonomically, the LIMBOW bow sling is designed with the hunter in mind!

Six Patterns to Choose From
